

Dear Business Owner,

The Greater Lakes Region Children's Fund December Auction enters its 45th year, with the help of countless volunteers and donors. This year, we're asking for your help! As a local business, you know what it takes to reach the community, and you have tools that can help us reach out like never before. **We're asking that you help us create awareness for the Auction by using your reader board signs, digital signs, email clubs, social media updates and any other way you can think of to show your support for the Auction.**

The Children's Fund has long been a proponent of supporting businesses that support the Fund, and we will continue to do so. Let our community know that you support the Fund so that they may support your business in turn.
